

Directions to Adtax

Our office is located next to the waterfront at Fareham Creek, conveniently located just off the M27. You will need to take the M27 regardless of whether you approach from the east or west.

Exit the M27 at Junction 11 and follow signs for Fareham/Gosport south on the A27. After half a mile keep in the middle lane signposted Gosport. This lane then becomes the left hand lane as you go over Delme Roundabout (top right of map below) and into a 40mph speed limit. Remain in this lane.

At the bottom of Eastern Way the road sweeps to the left and you go under a bridge. Again, remain in the left hand lane. Fareham Creek is now on your left.

At the next roundabout take the first exit left onto Old Gosport Road, then the next left onto Lower Quay. Follow the road round to the right and Quayside Commerce Centre is the group of offices immediately to your right.
